Subject: South Dayton Dump and Landfill Site

Dear Ms. Eisert:

An Administrative Record (AR) for Unilateral Administrative Order has been completed for the South Dayton Dump and Landfill Site. Enclosed are 2 CD-Roms each containing the Remedial AR and the AR for Unilateral Administrative Order for this Site. These CD-Roms replace the ones previously sent to you - these may be discarded. We suggest that one CD-Rom remain in the library and the other be made available for circulation.

Thank you for your time and cooperation. If you have any questions or comments, please contact me at (312)353-5821.

Sincerely,

A handwritten signature in cursive script that reads "J. Pfundheller".

Janet Pfundheller,

Superfund Records Manager
